Sir

Land claimed East 42 5 in the 6<sup>th</sup> Duro  
Colborne district

Is the Grant from the Crown  
to James Mosher (or Maker) ready?  
if so please enclose it to him at your earliest  
possible convenience addressed to this place -  
this was one of many claims undertaken by  
the late James Ludlow Common Esq. of this  
place & I write to you as the Atty of his Execu-  
tors - Claimant Mosher has already paid  
the charges for taking out his patent & he is  
becoming very importunate in consequence of  
not having had ~~his patent~~ it long ago.  
An agent in Simpton applied for it under power of  
Atty some days before the office closed here & he  
was told that instructions had been some time before  
sent to your office to have it engrossed - May  
I again beg that you will have the patent made out  
sent with all convenient despatch.
