Finding a family doctor

FINDING A FAMILY DOCTOR

Message to pregnant women

If you need a doctor for prenatal care and that you already have a family doctor, call 514 527-1958, ext 3.

If you need a family doctor, fill the form that appears below.

REGISTRATION FORM

Important information (only one person per form)

Eligibility:

Be a resident of the territory of the CSSS Jeanne-Mance

Do not have a family doctor

Three steps to be officially registered on the waiting list:

1. Complete the form at the bottom of the page.
2. An administrative officer will call you within two to three weeks to set a phone appointment with a nurse.
3. During the telephone appointment, the nurse will validate certain information and you will then enter on the waiting list for a family doctor.

All information is treated confidentially.

For questions about your health, contact Info-Santé at 811.

In an emergency, call 911.
CSSS Jeanne-Mance

Be advised that there is a variable delay time in the summons of a family doctor, as assessed by the nurse and medical resources.

However, a free assessment of your lifestyle (diet and exercise) is offered by a professional of health education Health Centre. [Click here for details and to make an appointment.](#)

Identification of the territory

Enter the first 3 characters of your postal code *
