to-morrow - The Returns in
detail specifying the age occupation
State residence of each individual,
with remarks, shall be immediately
made out and forwarded to the
Colonial Office - They are extremely
deserving much of my personal
attention to keep them correct
and I am ~~now~~ now preparing a
copy to send by each ship for
the use of the printer who may
be appointed by His Excellency
Sir Pymonia Mansfield to
move the settlers in Upper Canada
during my absence I yesterday

231
yesterday made an application ¹¹⁸
to the Mayor of this City and
Mr. Anthony Power to say that
they would visit the ships I
have named, previous to their
receiving orders to sail, and they
have agreed to accompany me
to-morrow morning - It
is my intention to lay before
them your instructions to me
I then to call over the
^{on board} settlers of each ship in their
presence, that they may have
an opportunity of judging
of

of the description of persons I
have selected, and I trust the
evidence they will give will remove
any misapprehensions you may have
as to the my remaining misapprehen-
sions, and will I hope satisfy
the Public that I have discharged
as my labours responsible and
unpleasant duty correctly -
